“ I have known Linda for most of my life (and her's too), but we really got to know each other when we became friends when were both teenagers. Linda was more than "just a friend". She was a TRUE friend! When you became friends with Linda, you had a friend FOR LIFE!

One can't help but wonder; when our time comes to say goodbye, will we leave the kind of cherished memories that Linda leaves? We should all try, but, it is a TOUGH assignment!! Her warmth and TRUE friendliness will be greatly missed.

“ John 14:1-4 “Let not your hearts be troubled. Believe in God; believe also in me. In my Father’s house are many rooms. If it were not so, would I have told you that I go to prepare a place for you? And if I go and prepare a place for you, I will come again and will take you to be with Me, that where I am you may be also. And you know the way to where I am going.”

Ms. Linda will be greatly missed. She always treated everyone like family. I believe her greatest joy was making others happy. Hold tight to memories for comfort, lean on your friends for strength, and always remember how much you all are cared for.
