*“ I loved Linda like a sister. I have been friends, best friends, since we were 12 years old. I am so happy that we were able to reconnect in our older years. I will cherish the memories that we made my love. You are a one of a kind & we will all miss you so much. Rest in Peace & someday I will see you on the other side.....Until my heart quits beating, I will always love you.*

“ Larry and Celeste, I hate it about your mom. We met when Betty was married to my dad, Steele Harris (Pete). It's been a long time and we lost touch. My sister Holly let me know when Betty died a couple of years ago. She was a sweet and loving person who loved you all so much. Be strong and carry on like your grandmother would want you to.
