“ Six months later and it's still just as hard today, as it was then. I love you granny, so very much and I miss you, more than words can even describe! Things are so hard right now and I need a hug from you and for you to tell me “it's going to be alright baby”. The girls talk about and cry over you everyday. We know you're looking down on us! You were and still are the very best grandma a girl could ask for!

“ I'm not ready for today, Granny. I know that I should be rejoicing, because you are with Grandma, Grandpa, Papa and Uncle Billy, but my heart hurts so bad. I would give anything to have you back. I love you, Granny and I miss you terribly. Chelsea and Lani love you too. We couldn't have asked for a better Granny. I will always love you. Thank you for everything. 💜🥹

“ I love you and miss you so much!! Me and the girls are going to be lost without you! Thank you so much for being with lacey the other night, she needed that. You're the best granny/mama ever!! You were everyone's granny, no matter who it was that met you! My heart is broken but, I know you're no longer suffering and you're with my papa and he's missed you just as much as we are going to! Everyone that I've ever mentioned your name to, always had something nice to say about you and were so glad they knew you! I miss you granny, I miss you so so much! I will take care of all your girls and boys, I promise!
