“ *To all of Lucy's family,*

She was the sweetest, most beautiful soul. I remember Lucy when she was just 2 years old and knew her all of her life. Although I moved away, she was the same every time I saw her. Such a loving, friendly, warm person! I was truly so sad to hear of her passing and I know her family is so grieved. She was such a light to everyone. And I pray for all of her family for peace; the peace that only God can give. We will always miss her, but we know that she lives on with our Savior and her spirit is happy and free!!

Love & blessings to all of you,

Angela Gibbs, Valdosta, GA

“ I should not be sitting here reading my precious cousin's obituary. She was taken too soon from us all. My heart is so broken. Lucy was one of a kind. She was such a sweet & thoughtful Girl. Life will not be the same without Lucy Lockett She was always so cheerful no matter how bad she felt. She loved all children and Mothered so many. When we loss our Daddy, she was right there at the Nursing Home from the time we loss him until we had his Funeral. I never heard her complain. She was right there asking what we needed. She just wanted to take care of everyone. I am so thankful that she was able to enjoy the last days of her life here on this Earth. I will treasure all those special memories with her. We sure had some great laughs and times together. She was such a great Wife, Mother, Daughter, Cousin and Lala. There will never be another Lucy. She will be missed so much by so many. She was just a Jewel. Lucy loved so much and give until she could give anymore. RIP sweet Lucy Lockett!!!

“*Lucy is one of the sweetest, most compassionate, devoted, loving, faithful Christian ladies I have ever known. She would light up a room whenever she came in! She loved her family fiercely! I know Ron is going to be lost without her, y'all were a great team! Whenever she talked about Melinda or Jacob her big blue eyes just sparkled! Linda and Binion, y'all did good! Lucy was one in a million! Joe and Dwayne - her stories about y'all were always so good! She was proud of the men y'all are! She thought no one was like her cousins! She truly loved her little tribe! Her smile was positively “contagious” and she shared it regularly.... I have played softball on her team a very long time ago, worked with her, been a carpool buddy with her and I am so proud to call her my friend! And when you are her friend you have such a blessing. I'm thankful for her dear friends that helped her with her hard times in the pass couple of years, y'all have been selfless in your gift of time! Heaven is sweeter and I know that is her new address, but earth is sure going to miss her.*
