“ I was very shocked and saddened to hear about Marc's accident...I am so very sorry for your loss. I know full well that there are no words that can assuage your pain...from my own personal experience, the Holy Spirit and time will help you deal with your loss as nothing else can. I have so many fond memories of Marc...he was always such a good friend to me...and through the years, every time I saw him, he was genuinely glad to see me, as I was to see him. I saw him not too long ago...and he was his usual kind and jovial self....always smiling and always so full of life. May our memories help to sustain us at this time...we have all lost a dear and precious friend...husband,son, father, uncle...whatever the case....Marc will be missed and loved forevermore. Heaven is indeed even brighter now...and Marc will be waiting for us...with that huge smile on his face...that smile that I will always remember when I think of Marc. Prayers and blessings to you all at this most difficult time.
