“ Sherry, my prayers are with you at this time in your life. Death is not easy as I can well confess. I miss my sister, Jane (your aunt). Your mother is now in a much better place. No more suffering. She is preparing a place for you. Remember all the good times you both enjoyed together. I wish I could have made it to the service, but old age has gotten to me and I do not do much traveling anymore.. My deepest sympathy to you and your family. Betty Marlowe Powers
