“ *I am saddened to learn of Marty's passing. I knew him while I taught at Wilco High. He was a sweet young man. Praying that God will comfort his family and friends.*

“ *All my love and prayers to you and your family. I remember him and his dog trying to get across my property lines before my dogs seen him. Unfortunately one time he didn't make it. He wore that battle scar from a dog bite proudly for a while...of course I was devistated. I'm sure he will be missed by all.*
