“ Dear Trudie I am so sorry to hear about your mother I did not read the paper on Thursday or I would have been at the visitation. My thoughts and prayers are with you always and if you need anything I will be there for you just call me at 478-986-1249 and I will come. I miss you alot and our friendship means the world to me and I can't imagine what you and your family are going through with this happening on Christmas. She is in a better place now and I know you will miss her dearly. Love Always, Chris
