“ My sincerest condolences to your family. The Bible have a wonderful promise at Psalm 37:10,11,29. After God removes wickedness and suffering, the earth will be transformed into a paradise. Then people will be able to live forever in perfect health and happiness. God's word foretells: God will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. Revelation 21:4. In that new world, even dead ones will be brought back to life to share in those blessings.(Acts 24:15). May God be with your family.
