“ Matthew Lester Hooks was one of the finest men I've ever known. He reminded me so much of my own Dear Father. Matthew and I had the pleasure of working together with the Maintenance Crew at MGCC/Hardwick, but I was only there for approximately one year and then I moved on to teaching for the Dept. in Athens at the University of Georgia. Matthew had a talent for making anyone feel good about themselves and he did so much for the inmates that were assigned to work with/for him. He always treated them as he would want to be treated. He always told me, Mr. Pennington, the only difference between us and them is they've been caught and are behind the fence. I will be there on Tuesday PM to say my GOODBYE to a friend whom I didn't visit they way I should have and please forgive me Matthew, but I've had a few ailments myself. Linda will join w/me and we will both see Mrs. Hooks and family. We love you my friend and know that you're in a better place. You might even run into our old friend, (Former Marine) M.R. Hendricks or more affectionately known simply as BUCK. He really loved you, but was too proud to divulge his true feelings. I know your family will miss you and we will all be in prayer for them. Most affectionately,
B. Marion & Linda B. Pennington
