“ *Michelle, there's not enough room in a volume of books to capture the memories we had with each other. Everyone asks me why and how I held on for so long. You even said you didn't understand why. You can give up on a husband or a wife and walk away. But you can never give up on your soulmate and best friend not even in death. I will love you forever Michelle Brown Good. Yours forever, Bobby Good*

“ Michelle I remember the times when you were younger and you Bobby and Jessica stayed with us. We all had some good times. You are now in a place where you are free from this world we live in and the Greif that it brings to so many. But now you are in a place of peace so you rest we will all see you again

“ Michelle, my baby sister. I love you and will greatly miss you. I know you have had so many struggles on this side. But on the other side of Heaven, I know you have the peace and are happy. My heart is breaking and wish things wouldn't have ended this way. I know you are with Mama now and that makes me smile. I love you always my baby sister.

“ Michelle, once upon a time you were my favorite person. I remember staying with you every chance I got as a kid. You would let me stay up late and watch David Letterman and introduced me to "the simpsons". We would play Mario and Donkey Kong until the early morning hours. We would sing on the karaoke machine and thought we were superstars lol. I have so many great memories with you . I'm so glad I got to see you and hug you one last time. I'm glad your suffering has ended. Although we drifted apart I still kept you close in my heart. I wish this wasn't the end. Rest Easy Beautiful your battle is over 😭

And I hope Mama is giving you an earful..Lol Seeing you today is one, of the hardest things that I have ever had to accept. And hopefully one day I will understand why?
