“ Hello my name is Patricia I was mike’s nurse. I am so sorry for you all’s loss. I would like to share with you all that about a week ago I was fixing to hang his feeding, and give him his pudding. He asked me like he always does how I was doing. This time he was asking me what sounded like how is the pudding i got him to repeat it three or four times. Finally I figured out what he was saying. He was asking me how is my poodle doing. We laughed about it. I apologized for not understanding. I have a six year old poodle samed Stella and I bring her there and I take Stella to visit Mike and he enjoys seeing her and petting her. I miss mike and I am glad I had the opportunity to serve him. Thank y’all so much. Love to all the family. Mike was a wonderful person/friend.
