“ While it saddens me to learn of the loss of Mildred, I can not help but to smile and think of all the years I have known and loved her. My earliest memories were of knowing her as I went to school with JoAnn and Mildred was a part of all the school picnics and trips. I continued to see her on and off till I started to see her in the nursing home when I was visiting my mother. There is no doubt in my mind that Mildred is in Heaven today walking around talking to all those who have gone on before. There is no more sickness, no suffering and she has reached her eternal home. You all will be in my thoughts and prayers.
