“ *What a wonderful photo of Myra! If you didn't know how to have more fun than you knew what do with, you could just hang out with Myra and my little sister Delora for a few days! I know she will be greatly missed around Gordon and many other places too!!.She was a sweet girl.*

“ Myra and I grow up together. We were best friends and shared so many good times with our other friend Deloras Bengford. Her mom and my mom were best friends also. And we shared so many memories. I am saddened about her lose. It seems like yesterday we all waled to catch the bus together for school. Rest in Peace Myra.
