“ Nevada was a member of our Sons of Confederate Veterans Camp #104 in Dublin, Georgia. The last time he came to a meeting several months ago he brought some beer and shared it with us. Glad we all had the chance to be with him at our meetings and get to know him. He taught me to appreciate the water from my well at my 144 year old home. Now every time I make my coffee I use the well water in his honor....
