“ To Sherri, Paul, Wendi, Chad, and Nevaeh, I am truly sorry for your loss. Times like these are the times we dread the most. I remember Nick most of all when he was young boy, coming around my Dads house. I never knew him as well as I should have being his cousin. But I do remember him. It's sad that it takes something this tragic to happen before family gets in touch with each other, but its always been that way with our family. You and your family are in our prayers, I'm sorry that I'm living in Australia so far away or I would be there for you all. Take Care and God Bless You All! Len, Brittany, Jarrett, and Chase

“ I am truly sorry for your loss and deeply sorry that Nicks precious baby girl will not get the chance to really know how much of good person her daddy was. I can remember growing up with Nick from us being babies and he has always had a big heart. He will truly be missed but never forgotten!
