“ *When is actually the iphone five most likely to be released? I have verizon and would like to get the i phone when my contract is up in August, I'd really like to figure out when the i phone 5 is coming out at any time soon, because if so, I might stick it out lengthier to receive that instead of the iphone 4.*

“ *I am so very sorry to hear of Mrs. Burke's passing. She was one of my first teachers in school, always greeted us with a smile. I still remember her standing at the door, welcoming us each day of school. My thoughts and prayers are with you and your family.*
