“ I've known Pam since about first grade. We had many school adventures, and then we grew up and had families of our own. I remember helping throw Pam a baby shower before Kristi was born. I remember Pam visiting my mom's house when Austin was a toddler. Although I haven't seen her in person for decades, we've stayed in touch. I have precious memories of things said in phone conversations. Pam was truly a remarkable person, selfless, true, always kind, with a huge dollop of humor to top it all off. I will always cherish how she supported my family and me in our darkest times. The passing of this remarkable lady leaves so many heartbroken. My heart goes out to all of her family and friends. Sending up prayers for comfort and peace in these difficult times. Kay (Peterson) Pluta

“ Pam was the Best mom I could ever want that's why I adopted her 18 years ago to be my mom . I love her so much and miss her more than I could ever imagine. We always joked around and laughed every single time we were together wether we were hurting, depressed, happy, sad it didn't matter we always had fun . This is not going to be easy even though I know she was in so much pain so she is healed and resting now . My heart will always have her in it forever .

“ I was blessed to have had the opportunity to work with Pam many years ago. While our paths lead us in separate ways, her friendship never wavered. John, Kristie, and Austin, my prayers are with you and all who knew and loved Pam. May your memories wrap around you and carry you through the dark days, weeks and months ahead. May they bring comfort when no words can.

“ Pam was always smiling. I remember her sitting in the back of the church raising her hands in praise when I or someone else were singing. My prayers go out to her family at this most difficult time.

*I have so many good memories of Pam. Every time we talked She would always invite me to her church. She knew we were very active in our church, and she'd always say, "If you ever need another good church we'd love to have y'all come join us". I'll never forget this. She loved the Lord and she had a sign close to her driveway that said 2nd Chronicles 7:14. That's the verse in Bible that says, If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their ways; then will I hear from Heaven, and will forgive their sin, and will heal their land. America needs to wake up and adhere to this verse. Pam and I discussed the Bible many times, and I will see her again. Our thoughts and prayers are with all of her family. I pray that God will wrap his arms around each of you during this difficult time and comfort you.*

*There are no words to express the sadness of you being gone. You were a fighter against all that was thrown at you health wise. You pulled thru, never giving in and we just knew this last time you would prevail. God saw different and knew it was time for you to come home. He made you new again, no more pain no more suffering. I know that you are giving as much Joy in Heaven as you did on Earth. You were so loved and will be missed by so many, you truly left a beautiful mark on Earth. Prayers lifted high for peace and comfort Austin, John, Kristie, Pat and family. I am always here for you and love you very much. Pam will be forever in our hearts, God bless.*
