“ *My prayers will continue for all Mrs Pam's loved ones. I had the pleasure of working with her from 2001-2004. She and Bonnie B. quickly became my best work friends. What I remember most was her love for her family...every night she had some story to tell about Ricky, little Ricky, Tocker, & Tripp. Although I never met any of you I definitely knew all of your successes. She was so proud of y'all. May your parents RIP. Kylie Smith, Respiratory Therapist, Hazlehurst, Ga*

“ Pam was a great person . We went to LPN school back in 1987-88, then worked together on our first nursing job at Culver Kidd building on night shift. We actually rode together with another classmate to take State Boards together after graduation also. She was tough but very kind.
