“ *Dear Paul Cunningham III*

*Why did you leave me  
Why couldn't you stay  
I know you thought it a bad life  
But it was just a bad day*

*I wake each and every morning  
Convinced this a dream  
The unpalatable truth has set in  
More arduous than it seems*

*My heart is completely shattered  
From enduring all the pain  
The tears won't stop flowing now  
I will never be the same*

*I want so much to see you  
Or ask you how you've been  
I'd settle for a fight  
To hear your voice again*

*I will always be in wonder  
What might have been  
If only we were closer  
Rest In Peace my twin*

“ I remember watching you as small boy playing with your Uncle Mickey when we came to visit yall in Fl. I remember reconnecting with you when you moved here to Ga as a grown young man. You will be missed by so many people. You touch the lives of everyone you met Paul. I wish you had talked to one of us. You will always be loved and missed. Spread your wings and fly Paul. Tell your Uncle Mickey and Mom we all said hello.
