“ *Sonia , I am so sorry to hear about your mom. My thoughts and prayers are with you and Brad. I know how much your mom meant to you. She was a special woman and I am glad I got to know her. I missed being at the funeral because I had to work but I watched it and it was a beautiful celebration of her life. You and Brad was her life and she told me many times how much she loved y'all and appreciated all y'all did for her. May God wrap his arms around you and comfort you.*
