“ I'm so sorry for the family's loss. He was a good man. Everytime I saw him he never failed to say hello. This is such a shock to me. I just recently saw him at Jet last Thursday. Rest in peace Randy.

“ Big Randy didn't have a lot by most standards, but he was a wealthy man. He had a heart big as the world. He went out of his way to help anybody. He loved his family, not a perfect family But his family. I hope and pray the good memories will fill your heart and replace the empty ness you feel.

“ 53 years ago you walked into my hospital room and asked if you could take my sister Joyce for a walk. Since then we've been good friend..I'll miss our long talks.Last time we talked you told me how you didn't want to leave Jack and Joey. You had to stay here as long as you could . I know how proud of all your boys you were.. And how much you loved them.you was a loving friend, father,husband, brother brother in law uncle.. and everyone one who knows you will miss you..
