“ The first time I met my father in law, he pretended he had just met Tony (his son) that same day. He took me into the house to find Tony, and said "That Tony is a good ole fella. I just met him today, myself." About that time, Tony came up and said, "Oh you met my dad!" That is my fondest memory of him and will always be proud to have been his daughter in law. I loved him like I love my own father.

“ Linda and family, Dave and I are so sorry for the loss of Bobby. He had such a great sense of humor, wit and funny expressions. While there are no words to stop the hurt I am sure you feel, I pray that all the memories, good times and laughter you shared will bring you comfort and peace in the days ahead. You all in our prayers

“ I have a lot of memories of working with Robert for years at CGTC but the prevailing one was how very proud he was of you Mrs. Foster and your recovery from the recent orthopedic surgery you endured. As you went through the physical therapy he would constantly tell me you were taking it like a champ and progressing nicely. He was very proud and complimentary as he discussed your efforts.

*I know there will be a horrible void in your life now but hope you can find the strength to remember the happy go lucky approach he took to life at those moments. I can't imagine them producing at least a little smile.*

“ Linda, I am so sorry about Robert. What can I say? You and Robert were like members of my family and I love both of yall. Even though we have lost touch over the last few years I have thought of you and him often. He was a very special person and he loved his shug (I will always remember him calling you that) so very much. Please know my thoughts and prayers are with you and I am only a phone call away.
