“ I have just learned of Russell's passing. I worked with Russell when we were with the Southern Company (and Southern Electric International). He was my technical engineer on the ComEd project in Chicago and a good friend. I grieve for Russell as well as his family. He will always be remembered and his friendship treasured. With love, Greg Watson

“ Russell was a good christian man and he will certainly be missed. I will miss his singing on Sunday morning at church and him always asking how I was doing. He was dedicated to his church and his Savior and will not soon be forgotten. Rest in peace Russell, we will miss you!
