“ *We love Sandy I talked to her several times a day. I'm going to miss her so much but I'm glad she is in no more pain she isn't suffering anymore. She is our angel now having a reunion with Johnny and her mother and all that have gone on before her. Sandy was a sweetheart and I will carry her in my heart always until I see her again in heaven. I love you Sandy thank you for always being there for me*❤️
