“ Mr. Jack, Jack, Jill and family, We are so sorry to hear of the passing of Miss Sarah. We both have many fond memories of her. Many of these are from my school days with you, Jack. I remember even in first grade, she was one of the room mothers and she continued to be a big part of school days until our graduation. She always seemed happy to see us anytime we ran into her. We know your hearts are heavy and deeply saddened at this time. It is our prayer that God hold you all in the palm of His hand and guide and comfort you as only He can do. We are sorry that we will not be able to be with you at her service. You will continue to be in our thoughts and prayers.
