“ *Tamera and Johnny and family,  
We learned the sad news recently and are so very sorry. Just want you to know that today, we believe that Shane is walking the streets of Heaven, and our Jesus has him in his arms. He is there in a glorious place talking and seeing and being with all his family and friends who were called home before him. In that place he is finding joy and happiness never known to anyone before. Our Heavenly Father, created Shane , in HIS Image and has put love within him to touch others to be there for them. He did touch others and his memory will live on every day. We are praying today that God will give you His strength and touch you through the days to come.*

“Gone way too soon. He had so much more life to live. This has left a hole in so many. I'll never forget him being so mischievous when he was child. He loved to eat and play video games. When we were at work he'd put his ear buds in and listen to his music to help it go by fast. I hope he knew he was loved by many and things will never be the same without him here. I know I am absolutely devastated.
