“ Mrs. Amy & family, I cannot even begin, for i know that there is not words to offer any comfort at a time like this. My heart offers its deepest condolences. My childhood is full of sleepovers and softball games with shannon.... from dancing to the skating rink, to fourwheeler riding, to the pool days.... they can never be replaced. She was such an amazing person. I know that she loved her family more than anything, and was so proud to be a mom. Kenyon was her pride and joy. I offer my prayers to you and if there is ever anything i can do, just ask. This has really broken my heart.... I love yall so much, and i will never, ever be able to forget Shannon, becuase i know that deep down, it was some of those times with her,that i really found who i am, and im thankful for that. she was a beautiful girl, one that i was blessed a great deal to have a chance to know and be close with. I love yall so much. again, many prayers.

“ Heaven has gained another beautiful angel. You are going to be missed by so many family members and friends. I will never forget me and you running around at Easter trying to find all the money eggs at Ma-Ma's and Pa-Pa's. We had so many great times when we were younger. Even though life thru both of us curve balls and we didn't stay as close as we were when we were younger it never changed how much I cared and loved you. You were a beautiful person both inside and out. You are a great mother! I know you are going to be with him every step of the way. And even though tear drops are streaming down my cheek as I write this I know that you are at peace! Please tell everyone that I said hey and give them all hugs and kisses for me. I will see you again one day! I love you! - Brandi

“ Amy , Ms. Carol and family , I was shocked to learn of Shannon's death. I remember when she was a little girl , coming to church with you , Amy, and sitting on the pew in front of Ms. Carol. She was full life , energy , and seemed to be always happy. This should not have happened to her and she certainly did not deserve it. Shannon is now in heaven with her dad and building a heavenly home. Kenyon is beautiful little boy who now has an angel watching over him for the rest of his life. Ya'll are definitely in my thoughts and prayers . May your memories bring comfort.

“ Amy, Mrs. Carol, and Family: I was broken-hearted to hear of Shannon's passing...I pray that the Lord gives you all strength and comfort during this time. I watched her grow up and become a beautiful young woman, full of energy, life, laughter, and love, and was so proud of the loving mother, friend, and young woman she had become. No matter what happened, Shannon could put a smile on my face. Kenyon is such a beautiful child and I know he, and all of you, will have a special angel to wqтч over you!
