“ I have so many precious memories of my childhood that included cousin Sheila. Me and cousin Debbie would spend a week every summer at Aunt Frances and Uncle Bubba's. Love and prayers to all of Sheila's family and friends. ❤️

“ Sheila was a loving, kind, Christian lady that let people know that she loved them. She enjoyed singing in the choir and attending Sunday School, Worship Services, Bible Studies, Senior Citizens Events, Fifth Sunday Night Sings and other events in local churches. In addition, she was very patriotic and attended events to honor veterans. She was a faithful and loving caregiver for her mother and enjoyed visiting shut-ins and would give caregivers much-needed breaks. She always had a big smile and an "I love you" for her friends and family. The isolation caused by the pandemic was very difficult for her but she continued to express her love to friends and family via phone. We extend our sympathy and condolences to Sheila's family and friends during this difficult time and in the days to come. May God's Love, Mercy & Grace be with each person that knew and loved Sheila. “ I've never known exactly all that Jesus meant when he said of His disciple Nathanael, "Here's one in whom there is no guile." But as far as I do understand it, it also applies to Sheila. Until we meet in The Celestial City, dear friend, your absence will be a pain to those who have loved you.

“ Mr. Lloyd,

I am so sorry to hear about the loss of your sweet sister, Shelia. I have so many fond memories of her when she helped coach me in softball with Aunt Linda. She would pick me up and take me to games & practices. We would have so many laughs. Also, I would go and visit Margie, Tondra and all those sweet Greene kids back in the day and Shelia was the life of the party. She always told me she loved me with that big ole smile. She was a Sweetheart and loved all of you so much. Praying for all of you!
