“ I had the pleasure of working with Stephanie for several years. During that time, I saw that not only was she a valuable employee, but a wonderful mother, daughter, and wife. She was always a inspiration to me and I feel truly blessed to have known her. She was a angel here on earth; now she has her wings to fly.

“ Mattie Mae, I am so sorry to hear about your daughter. It was such a shock. Just know that I am praying for you and thinking about you. Wish I was living down there where I could see you now. After my husband's traumatic brain injury we had to move to be near doctors. God will be with you and give you strength.
