“ I will always remember Sterling. He was my little buddy. He took care of me at work when I needed him most. He was there for me through both of my pregnancies. I remember working those late nights and being so tired and Sterling would turn on "Don't worry, be happy" and we would sing and be silly and enjoy life. That's how I will always think of him, enjoying life. My heart goes out to everyone who loves him.

“ It's always hard to say goodbye,
- especially when it's too soon!!
To know you, was to love you!
To hear your laugh, made you laugh!!
You were always the character!
And you always had everybody on their toes!
You were the biggest kid I've ever met yet the biggest family man!
You were a stranger to NONE!
It's so hard to wrap my head around this!
Forever 29-
Love you man, laugh it up 🧡

“ I met Sterling at Gordon Animal Clinic. He was a hardworking and kind upbeat soul. When I needed help with a grooming dog he would never turn me down. Made me smile a lot. Who would have known he would meet the love of his life, Ashley, at work. I would definitely tease both of them saying, love was in the air. My heart was full seeing them walk down the aisle together. Sterling will be missed by many, especially me. Teri- Gordon Grooming.
