“ I know it has been almost a year since your passing but, it still bothers me that I wasn't able to be there. My baby girl still misses you and asks of you often! Your eyes were so beautiful and so was your heart! I love and miss you dearly Mr Tommy and it hurts still to this day that you're no longer at the store when I stop by! Miss that beautiful smile! I will never forget the day you drove me home and I laughed all the way, because you couldn't see two feet in front of you and you almost hit the trash can! Gosh I miss you!!
