“ It is with sincere sympathy that we extend our condolences for your loss. We pray that you will find healing, comfort and peace through our Lord Jesus Christ who loves you beyond measure!

Death is something we will all encounter and if we don't make a decision now before we die, about giving our lives to Him, we will face serious consequences for rejecting Him and His love for us, after our departure from this world. Jesus paid a tremendous price for us by taking the wrath of God on the cross, on our behalf, for our sins and rebellion against God. God, being our Creator, sent Jesus, His Son, to lay down His life for us, so we would never have to face God's eternal judgement once we leave this earth. Death is not the end for any of us. We will all live on, but where is determined by whether or not we surrender our lives to the Lordship of Jesus Christ who is the only way to God the Father and to our salvation from sin, death and destruction. Jesus is only a prayer away. A simple prayer like "Lord Jesus, I believe you are God's Son who He sent to pay the price for my mistakes, sins, and rebellion against God. Please forgive me for all I have done in rebelling against you, Lord.

I now give and surrender my life to you and ask that you be my Lord and Savior. Thank you for saving me from God's eternal judgement and allowing me to now be a part of you and your royal family forever. In your name, I pray. Amen. " God bless you and keep you always during this hour of your grief. I pray you will realize that you're never alone when you're in Christ Jesus. His Word guarantees us He will never leave or forsake us.

“ Tyler was a good man. I met him when he was a boy and I worked at a medical equipment store. I always looked forward to making deliveries or service calls to him. He was a very engaging guy who was knowledgeable about football and I liked talking to him about it. I used to call him Big Tuck. He was a good man who added brightness to life.

“ *My deepest condolences to the family. I met Tyler through Xbox gaming playing our favourite sports games FIFA together. Tyler was the most fun, calm, composed, loving, generous, and helpful soul. He was there for me when I needed a friend and a brother. We cracked jokes, shared amazing memories over games and personal life stories in which I spoke to him almost everyday for the better part of 4 years between 2020 and now. I miss you brother, and I love you. I will miss our chats. Rest easy.*
