“ *I did not know of Verona's passing until our 50 year high School reunion. She was one of my best friends in high school and I was her maid of honor when she married. We lost touch over the years but I have wonderful memories of our time together. My deepest condolences to her family.*

“ *Verona Horton was an exceptional person. She was kind to all, had a heart full of love, and loved her family and friends. I had the privilege of working with her for a number of years. She was dedicated in her work, patient and kind to those she dealt with, and a champion of the underdog. Where there was a need she tried her best to fill it. Where there was a wrong she tried to right it. She went above and beyond in serving. She was a devoted wife and mother and often showed her love through her exceptional cooking skills. Rest easy my dear friend. I love you!* ”
