“ Kira (and family): I will always remember the many days and nights spent with you and your family. The days we would spend playing, especially when my dad and your dad would let us drive the golf carts...your mom and dad were always pleasant and fun. I pray that the Lord comforts you during this time, and know that your dad and your mom are having that glorious reunion that your dad longed for. He was so proud of you, and kept me up to date on you throughout the years, and was so proud of the church. Please take care and know you are in our thoughts and prayers.
