“ Kirk was a childhood friend of mine when he lived in Dothan, Alabama. I enjoyed many times with him and visited him once in Milledgeville after the Holt family moved there from Dothan.

*For some reason I thought of Kirk this morning and decided to search for him. That search turned up his obituary from several years ago. I regret that I did not know about his passing in a timely fashion.*

*Tryon Hubbard, Huntsville, Alabama*

“ Kirk, although we lost contact many years ago I always counted you as a good friend. God bless you and rest in peace.
