“ Janet and I send our love and God's comfort to the family. Ms. Wilmyth was a special person to us when we were her parsonage family. I am sorry we have not been able to stay in touch with her these last few years and also sorry I could not participate in her service. It was a great honor to be asked and we are thankful for the love and support of this great family. We pray for God's blessings to all.

“ I just know my great-aunt Wilmyth is basking in our Lord & Savior's glory. What a sweet celebration she is having reuniting with her loved ones that have gone on before her. I bet there's lots of conversation going on. I love & am going to miss you "WiWi".

“ Mrs. Wilmyth was a special lady and a sweet encourager. She loved music and usually commented on the music at church and also about Gerald's ties! We treasured her friendship and have missed her very much since she left Gordon. Praying for her family during these sad days.
