“ I'm very sorry to hear of Wynndale's passing. We went to high school together and he was always a little off the cuff but an absolutely great individual with a huge heart. May the memories take some of the sadness from your heart and gently replace it with the warmth of shared moments.

“ Wynndale and I grew up in the same neighborhood and attended the same Elementary school. I have seen him many times over the years and he always had time just to stop and chat about the good ole days and those grandchildren. Was a extremely sweet guy. I know he has touched many lives. My thoughts and prayers are with you. Debbie
